

OKANAGAN REGION
SKATE CANADA - BC SECTION

To: All Okanagan Region Clubs, Coaches & Star 1, Star 2, Star 3, and Star 4 Skaters

Again, this season, the Okanagan Region and the Kelowna Skating Club are pleased to present a Learn To Train Clinic for Star 1, Star 2, Star 3, Star 4 skaters in the Okanagan. This event, which will be offered in Kelowna BC, on Saturday, Sept 30 2023, is an excellent opportunity for young skaters to attend their very first skating seminar. Please note: This clinic is not suitable for skaters that have already competed higher than the Star 4 level.

Attached you will find the Registration Form for the Learn To Train Clinic being offered. There will only be the one Clinic for all the areas of the Region. The Clinic will be held in Kelowna at the Capital News Centre. This will be for all the skaters of the Okanagan in the Star 1-4 categories.

We are very excited to welcome guest moderators Patrick Chan and Elizabeth Putnam! Patrick is a skating icon who has greatly influenced our sport. He is a ten-time Canadian Champion, two-time ISU Grand Prix Final Champion, three-time ISU Four Continents Champion, three-time World Champion, and has won 3 Olympic Medals for Canada including the 2018 Team Gold. He has set world scoring records and is recognized as one of the greatest pure skaters of all time.

Elizabeth had a very successful career as a singles and pair skater. She was a national medalist in singles, before shifting her focus to pair skating, where she captured two national medals along with 2 international medals including an ISU Four Continents bronze.
